RE: Tonolli Corporation Site, Carbon County, PA
3HW12

Dear Ms. McCartney:

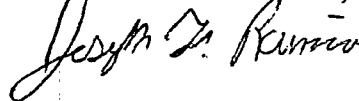

In regard to your letter of August 12, 1988, we wish to advise that we understand that we are a Potentially Responsible Party for contamination at the Tonolli Corporation Site in Carbon County, PA. at the percentage rate of 0.1651.

We do not have enough information, at this time to make a commitment. We are planning to attend a meeting on October 18, 1988 in Philadelphia, regarding this problem. An E.P.A. representative will be present at this meeting and we hope, with more information made available, we will be able to better understand this problem.

In the meantime, we are willing to participate with any group or committee working on this problem.

Sincerely,

J. F. R. SALVAGE, INC.
